Transition to School Program

Children starting school in 2012 at Chandler are invited to join our transition to school program. This commences in Term 3 and involves children attending school one day each week. Children will be given an exciting introduction to school life.

We find the orientation program assists children to feel happy and securer at school so that they are ready for their formal lessons in 2012.

Currently, two children will be attending transition on Friday each week. If you would like your child to take part in Transition please ring the school so that we can negotiate which day your child will attend.

Message from Mrs McClenaghan

During the holidays I accepted a fulltime temporary teaching role at Bald Blair for the rest of 2011. I would like to thank the Chandler community for making me so welcome during the last few years. I have always loved every minute of my time here and have felt very much at home. I feel quite sad at the thought of not seeing

everyone for a little while. Thank you to the students whose hard work and sense fun have made each day enjoyable. I will be back next year and hope to see great progress from all our fabulous students.

Louis, Tyler, Trent, Alyssa, Ben, Zach and Lachlan thank you for being so great, take care , work hard and I hope you will say hello if you happen to see me .

Kind Regards

Kate McClenaghan

Mrs McClenaghan has taken on many and varied roles at Chandler. We wish her well at Bald Blair and look forward to her return to Chandler in 2012.

Staffing

Mrs Dooley is replacing Mrs McClenaghan as our relief teacher for the rest of 2011

Mrs Woods has returned to Chandler after relieving as School Administrative Manager at Duval High School during Term 1 and 2.

Athletics / Finlayson Sports

Due to predicted poor weather for Friday 22 July I have chosen to invite fewer schools to take part in an athletic training day. This will allow us to hold a mix of indoor and outdoor activities during the day so that children do not become too cold. It will also let us move all students indoors if there is rain. Ebor and Ben Lomond principals are checking with their school communities. As we go to print we are expecting each of these schools to take part. Mrs Judy Dooley will provide expert coaching during the day.

Finlayson Sports will be held in September as originally planned at the Finlayson AGM. This will enable us to avoid the potential health risk of having young children outdoors for the full day during winter.

Chandler Chatter

This term the school newsletter, to be known as Chandler Chatter, will be produced once a fortnight. It will continue to be available on the school website and will also be printed and sent home with students.

Chandler Chatter will be available from the Wollomombi Store and emailed to those on our electronic distribution list. Copies will be delivered road side until the end of September after which

we will ask everyone if they wish this service to continue. Let us know if you would like these arrangements varied for you.

It is hoped that over time this publication will be used as a resource to provide communication within the Wollomombi community.

Chandler Chatter publication dates for July August and September are:

Thursdays 21 July, 4 and 18 August, 1 and 15 September.

Copy deadline for inclusion in each addition of Chandler Chatter will be the day before each issue is printed. It is easiest for us if information is emailed to the school email account. If you do not have access to email please fax or phone.

Tap Dancing

During Term 3 we will be starting beginner's tap dance lessons at school. The dance teacher is happy to have adults join the class. Please let us know if you are interested.

Student Reports

Progress reports are being sent home today. If you would like an interview to discuss this or any other issues, please make an appointment by contacting the school to negotiate a suitable time.

Student's Work

Practicing Sports by Louis

On the holidays Louis practices for the sports day. Louis ran to the yards. Louis ran 10 laps of the

park. Louis ran 2 laps of the beach.

Fun in the Sun by Tyler

On the weekend I sat on our trucks. Dad bought the truck to cart stock. I was waving to the cars that went past our house.

On The Holidays by Benjamin

On the holidays I fell a tree with my mini boss chainsaw at my Auntys. I got 65 dollars for a load of wood from a Hillgrove resident.

My mini boss is orange. It has a very sharp chain. My uncle bought it.

I keep my mini boss in my tool shed. I always fill it up with fuel and oil. Its blade is 50 cm long and it has approximately two horse power.

IN THE HOLIDAYS BY LACHLAN

During the resent school holidays, on Monday my Aunty came for one week to my house. She is Mum's sister.

On Tuesday Mum bought an XBOX 360 CONECT.

The next day James, Tyler, Aunty Tonya and I set up the XBOX 360 CONCET. James and I played the XBOX 360 CONCET.

I had a fun holiday. A XBOX 360 is a TV game that you can play with car games, army games and all sorts of games. It is modem while technology and if you get the internet and put into the XBOX you can play XBOX live.

XBOX live is when you can verse someone else in the world.

The CONCET is that you don't have to hold a remote control to sensors you. The CONCET is a lot harder if you do not have any room.

A trip to Bundaberg on my holidays

By Alyssa

On the holiday my Mum, Pop and I went to my Nan`s house in Bundaberg. I saw my cousins Stephanie and Ashton and Aunty Christine. At Stephanie`s we made mud balls [the type you cannot eat] and stuck them in the fridge and we were under the house because it is really high up.

The next day Mum, Pop, Stephanie and I went to the Bundaberg rum distillery. The sugarcane factory was across the road from the distillery. In front of the distillery was a giant plastic rum bottle. It was very hot there but I enjoyed my trip.

A day at Green Valley by Trent

On the 17 of July Trent went to Green valley. Trent went on the big slide. It was 3 meters high. Trent went very fast down the slide.

Then Trent saw a peacock. Trent went on the swing. Trent went around the swing 3 times. Trent stayed for 2 days at green valley.

Green valley is 1 and half hours from Armidale. Trent and Grant told each other jokes. Trent went inside a jet. Trent drove the jet. It was fun.

HOLIDAYS BY ZACH

During the school holidays I went to
my friend's house and played with my
friend Brianna. We climbed the tree
out the back. The tree had mostly
thick branches and we tried to get
the little branches off by snapping
the branches off.

We went to the corner store and
Ady gave us some money to get

lollies and drinks. When we came
back, my uncle let us play with his
weights and he gave me the weights
he doesn't use any more because he
uses heavier weights. He gave me
two kilos and five kilos and played on
the scooter on the veranda.

We had fun
