### Principal's Message

The Chandler P&C have been working very hard organising the upcoming Trivia night. There are some great prizes which have been donated by local businesses. It should be a great night!

Finlayson sports are due to be held here at Chandler on the last day of term, September 21. Everyone here has been practicing their marching skills!

A reminder to all students to bring a hat to school. It is compulsory for all students to wear a hat during play times, sport and active afterschool activities.

### P&C

The P&C will meet next Tuesday, 11th September, in the Chandler School library from 6pm. Everyone is welcome to attend.

### Healthy habits

While we can't entirely shield our children from illness there are ways we can help them boost their immune systems and become more health conscious. Listen to these tips from Dr Martine Walker, a city GP who specialises in family health and has two primary school-aged children of her own. Go to:

## Maths matters

A new and entertaining game will help sharpen your child's maths skills and recall. The Maths Monkey's Quest features questions on topics ranging from addition and subtraction to ratios and percentages. The app is available for Apple iPhones and iPads, and Android phones and tablets. Go to: <http://www.schoolatoz.nsw.edu.au/about/mobile-applications/maths-monkey-s-quest>
