Principal's Message

We are at the end of week 4 already; I can't believe how fast this term is going! Students at Chandler have had a busy week, working on many exciting things including our exciting space unit!

Planning is well under way for two P&C fundraising events. A trivia night with an auction is to be held on the 15th September. On Saturday 25 August the P&C will be running the barbeque at Bunnings Warehouse in Armidale. Both of these events are to raise money for the student's upcoming excursion to Sydney. Further details on both of these events can be found later on in this newsletter.

Have a great weekend!

Coles and Woolies vouchers

Thank you very much to all of the people who have collected Coles and Woolies vouchers for Chandler Public School. For a small school, we have managed to collect a large number of vouchers!

Both programs are almost finished, so if anyone still has any at home please send them in!

Sound advice on sleep

Did you know it's recommended that school-aged children get 10-11 hours sleep each night? For tips on how to make sure your child gets a good night's sleep go to:

Highland Fling

Last Friday, students from Chandler Public School travelled to Black Mountain Public School to take part in the annual Highland Fling. Here is an account of the day:

On Friday Chandler Public School went to Black Mountain for the Highland Fling.

There was lots of exciting activities to do. There was Zumba, science, the SES and Fire Brigade. There was also a mini Olympics.

We had a sausage sandwich for lunch and a popper each. It was yummy.

It was a really good day!

By Kendall Smith, year 3.

A big thank you to Mrs Baker at Black Mountain Public School for organising the day, and for inviting us!

Finlayson Cup

On the 21st September, 2012, the Finlayson's sports day will be held at Chandler Public School. Students from schools all around the area will join us at Chandler for a day of marching, athletics and games.

Our Blogs

We have been researching different countries, and we are each creating a blog about our country. To create our blog, we have been using the Department of Education and Communities blogging tool, BlogEd. BlogEd allows our students to create wonderful, imaginative blogs, full of illustrations, links and widgets, within the safety of the Departments internet filtering environment.

P&C Meeting

The next meeting of the Chandler Public School P&C will be on Tuesday, 21st August, in the school library. The support of the P&C allows our students to engage in a whole range of additional activities.

A big thank you to everyone supports our P&C Committee.
