Principal's Message

We have had a lovely week here at Chandler. Everyone has worked hard and achieved some great successes. This week we had John Heffernan visit our

school, where he conducted a writing workshop with our students. Many other schools video conferenced in, joining our workshop. John guided the students through two sessions, assisting students in developing a wonderful narrative. Students are still working on their stories, and will have an opportunity to finish them on when John returns next Tuesday.

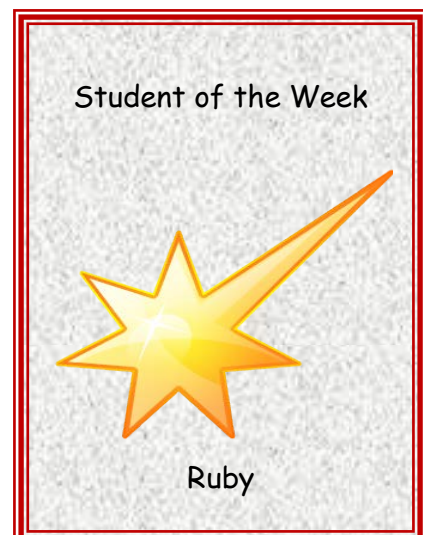

Congratulations to all of our students on your exceptional efforts at cross country at Ben Lomond last Friday. All students participated and put in a great effort. Isabel came 2nd in her race, and is off to zone. On the bus, travelling to Ben Lomond, I was very proud of everyone as I listened to the enthusiasm everyone was showing. My pride only increased when I saw the effort everyone put into their races, and the way the students cheered each other on. Well done everyone.

Mel Wood

Principal

Student of the week

Student of the week is an award given to one of our students who has covered all areas of being an excellent school citizen, this includes trying very hard in all areas of learning, impeccable manners and respect for others.

Youth Online

This week saw the second author visit to Chandler in this years Youth Online series. The series will see John Heffernan, Sophie Masson and Fiona McDonald, amongst others, visit our school to conduct workshops with our students. This wonderful experience is shared with students from Blackville PS, Yarrowitch PS, Niangala PS, Black Mountain PS, Moree PS, Boomi PS and Bonshaw PS who join in virtually via Video Conference and Desktop sharing facilities. It is a wonderful experience for our students to have exposure to talented, successful and engaging writers and illustrators.

Solid State Circus

Next Monday, 27th May, The Solid State Circus will come to Chandler! From 1:30 we will be entertained by a professional circus trio, who are currently on a national tour. The staff and students of Ben Lomond Public School are coming along to watch the performance. This is a very exciting opportunity for our students. All community members are invited to come along.

Student Report

Each week we will have a report on what has happened during the week from the point of view of the students. This week, Louis shares his experiences.

John Heffernan came this week. We had lots of fun. We have been writing a story about a motorbike race. He is coming again next Tuesday. Next Tuesday we are editing our book.

I have been reading a heap of new library books.

By Louis, year 2

Jokes of the week

Knock knock

Who's there?

Boo

Boo who?

Don't cry, its only a joke!
