Principal's Message

Welcome to week 3! The term is flying by already! Everyone is settled nicely into class, with lots of fun learning happening.

Our library has been overhauled in the last few weeks, with a new technology space and new blinds. Library borrowing will go ahead this Wednesday.

Swimming classes will take place this term. We are currently waiting to have exact times confirmed. A note with further information will go home later in the week.

Principal

Student of the week

Student of the week is an award given to one of our students who has covered all areas of being an excellent school citizen, this includes trying very hard in all areas of learning, impeccable manners and respect for others.

Science Night

Science night will be on Tuesday, 28th October. Everyone is invited to come along at 6pm, for a sausage sizzle dinner followed by an evening of hands on science fun! Students will conduct a series of experiments, helped by their families. Our students have a chance to demonstrate just how clever they are to all their family and friends.
