Principal's Message

Welcome to week 8!

Our swimming lessons are coming along very well- it is amazing to see the progress that students make over a week!

A number of students are bringing toys to school to share with their friends. Mostly students have been very responsible, and this has not been a problem. A number of very expensive toys have come to school over the last week- school can take no responsibility for lost or damaged belongings that come to school.

We are finalising end of year assessments at the moment, and as such students are not working on a spelling list as they normally would. Spelling words for homework will be words from student writing samples.

Student of the week

Student of the week is an award given to one of our students who has covered all areas of being an excellent school citizen, this includes trying very hard in all areas of learning, impeccable manners and respect for others.

Student of the Week

Student banking

A number of students take part in school banking. Through school banking, children open a Commonwealth bank account, and through a series of incentives are encouraged to save. Students bring their banking in on Wednesdays. Application forms are available from the office.

Book Club

Book club will come home today with the newsletter- book club should be returned by the end of next week.
