Charlie

Principal's Message

The last week of term! Our term has gone very quickly, having been filled up with lots of hard work and fun activities.

A reminder to everyone that as this is the last week of term, there will be no active after school activities. Active after school activities will resume on Monday, 21st July.

I hope everyone enjoys their last week of term, and has a safe and happy holiday.

Mel Wood
Principal

P&C Meeting

A P&C meeting will be held tonight, 23 June, at Chandler Public School. The meeting will commence at 5:30pm. Everyone is welcome to attend.

Vacation Care

PCYC Armidale offer vacation care throughout the school holidays. Each day offers structured activities. For more information, or to make a booking, please call the Armidale PCYC on 6772 1023.

Reports

Students will receive their reports on Friday. Parent teacher interviews will be held early next term, where we will also develop personalise learning plans for each student.

Orienteering

Northern Tablelands Orienteering Club announces the installation of a permanent orienteering course at Dumaresq Dam.

The course will be officially opened (no speeches) on the first day of the school holidays, Saturday June 28, and members of the club will be on hand between 10 am and 3 pm to give tips on map reading and navigation.

Maps will be available at the picnic shelter on the day, and from the Visitors Information Centre at other times. Apart from that, all you need is a pencil to tick off the control points as you find them.

The course does a leisurely circuit around the dam with relatively easy navigation. It is about 2.8 km in length and should take no more than 1 hour to complete at walking pace. A compass may be used if you have one but is not essential.
