Principals Report

Welcome to week 5.

This Wednesday, we will be working with Science Fiction author Ian Irvine, who will conduct a video conference with us from Sydney. We will be joined by students from Black Mountain, Yarrowitch, Kootingal, Inverell and Moonbi in this writing workshop. This is a wonderful opportunity to work with a successful, inspiring artist. On Thursday we will be back on the video conference for an illustrator workshop with Ann James, who has illustrated a number of Australian stories.

We are still collecting 2 and 3 litre milk containers for our garden. Thank you to everyone who has sent some in- they will be providing protection for our new seedlings.
