Shop lunch orders**

Thursday— **Shop
lunch
orders**

Friday— **9am Music
Lessons with Mrs
Mackson
Homework return**

Term 4 Week 5

Wednesday 9th November 2022

Principals Report

Dear parents/carers and
community members,

All students and staff have
shown amazing resilience so far
this term. We have been chal-
lenged by illness and other
interruptions, but we have
pushed on with our learning.
Students have researched and
presented wonderful infor-
mation reports about aspects of
Australian history. Presentations
have included posters, very
professional power points and
speeches.

Preparations for the end of year
concert/presentation night are
going well considering the whole
student body not always present.
Mrs. Mackson is also working
hard with the students to pre-
sent a musical item. We are all
looking forward to celebrating
the children's hard work this
year with the community at the
Presentation Evening on
Friday 2nd of December.

A great experience was enjoyed by
all Chandler students in our
engagement with New England
Sings performance. Students have
worked hard all of this semester to
learn the words to each song and
then come together with
approximately 700 school students
from this region to perform to an
audience of 1000 people.

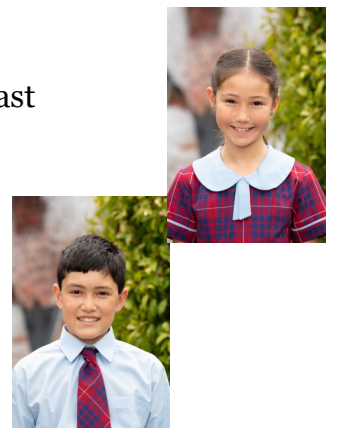

Students in Year 3 to Year 6 have
shown excellent commitment in
their preparation for the First Lego
League competition this Friday in
Port Macquarie. Full credit to Mrs
Walden for her guidance in this
preparation and we are wishing
our Chandler Crushers team the
very best of luck in the competi-
tion.

Year 1 and 2 students will have
normal school activities tomorrow
and Friday, and the bus is running
as normal.

Linda Frizell
Principal

Super Student—

Congratulations to both Kimi and Kota Jordan
who are our SUPER STUDENTS. This is their last
few days at Chandler School before they go to
Japan until mid February. Both these students
have made extraordinary progress in their
learning this year. Their work is always of a
high standard and so is their behaviour and
attitude toward school expectations. We will
miss them greatly and hope they can keep in
touch with us while they are away.

New England Sings!

What a fantastic effort our students put into their New England Sings Performance. With an audience of over 1000 and many more streaming online, you couldn't spot any nerves or shaky knees surprisingly! Students took it all in their stride and the whole performance was a huge success. For parents who attended the performance or watched it online, we hope you thoroughly enjoyed it.

It was fantastic for the students to be part of such a large scale local music event, and they all sang absolutely beautifully. We'd like to thank them all for being part of something so special.

The visiting artists including Luke Byrne, Paul Jarman, Mark O'Leary and Justine Clarke commented individually on the incredible community spirit and support provided by the teachers and musicians involved! They were blown away by the enormity of what was achieved when so many people pull together to make an event like this happen.

P&C Meeting

Quick catch up today

Zoom Link has been sent

All parents encouraged to attend

3.15pm

Jump Rope for Heart

After being re-scheduled a number of times due to wet weather– We finally completed our Jump Off day on Friday 14th October! Our school students raised a tremendous amount of \$606.50, smashing our school target by over \$100.

Congratulations to Savanna Young who was our top fundraising student! All students who earned prizes by fundraising should receive them shortly, and all students had a great time skipping throughout the day.
