Principals Report

Dear Parents/Carers and
Community Members,

It has been a busy term and it is not over yet. Students are working hard in class and are receiving support for areas of weakness following the Check in Assessments. Reading regularly at home and learning times tables would benefit all students.

We enjoyed a visit from 'Engineers Without Borders' last week. These international engineers helped the students construct an electrical circuit using the Tinkercad app. They were very impressed with the digital skills level our students have.

Next week will be busy with a visit to Bald Blair on Thursday and we will host Hernani and Ebor School on Friday for New England Sings practice and a variety of music and sport activities.

Due to the Year 3- 6 excursion to Lake Ainsworth in Week 9, we will have a newsletter in the final week of term, Week 10. The students are looking forward to this excursion and I'm sure we will not only have an opportunity to try new things, but we will benefit from meeting other students.

A big Chandler thank you to Stacey Moran who transported the Athletics team to Tamworth on Wednesday and assisted on the day with managing and cheering our students on!

Super Student—

Congratulations to the four students who ran in the Elizabeth Austin 4 x 100m relay at the Northwest Athletics Trials this week. Jaxs O'Brien and Kimi Jordan both achieved personal best heights in their High Jump events as well as running in the relay. Rikki Frizell and Toby Moran competed in the relay too. The team have been practicing for the event and were very excited to make the final. Our team came 6th overall and put in an outstanding effort, well done. They are all our SUPER Students.

Lake Ainsworth

Our school camp is fast approaching. We are super excited to travel to Lake Ainsworth on Monday 16th September until Friday 20th where the students will participate in a range of activities they have never experienced before! Activities include stand up paddle boarding, raft building, rock climbing, marine studies, beach games, sailing and soooo much more.

Information has been sent home to all parents including a packing list and itinerary.

We cannot wait to report on all the fun the students had in the next newsletter.

Check in Assessments

Students in years 3 to 6 have undertaken check in assessments over the past two weeks. These are reading, numeracy and writing based assessments which assists teachers in identifying any learning gaps that require attention. Thank you and well done to students for participating.

Time saving tips for lunchboxes

The before school rush can have us reaching for sometimes foods. With a little extra planning you can make it easier to grab an everyday option.

Try:

- Cutting up extra vegetables at dinner ready to pack in the morning
- Cutting up reduced fat cheese cubes in bulk on the weekend ready to pack with some crackers for the week
- Swapping from packaged chips to packaged air popped popcorn

Use our handy [lunchbox planner](#) to plan out everyday lunchboxes for the week.

Drink

Water and/or reduced fat plain milk

Recess

Vegetables or fruit + 1-2 everyday snacks

Lunch

A meal made with everyday foods, such as a sandwich, wrap, salad, pasta or rice dish

Veg & Fruit Break

Vegetables or fruit

HAVE YOUR CHILD'S SCHOOL MEMORIES CAPTURED FOREVER!

Please take the time to read the relevant information on the MSP Photography payment envelopes and remember these helpful points:

- ❑ Don't seal envelopes inside each other. You can pay for all children in one envelope, however, each child needs to have their own envelope on photo day.
- ❑ Family envelopes are available at the school office upon request.
- ❑ Family photos will be packed inside the eldest child's individual photo pack.
- ❑ Please enclose the correct money as no change can be given.

For photo day queries please call our friendly staff on (02) 6772 3519
