Principals Report

Dear Parents/Carers and
Community Members,

As we come to the end of Term 2 we can all safely say it has been busy and a lot of fun. Progress through hard work and concentration has been seen in all students this term.

It is very exciting for the school but particularly Rory who's art work was successful in reaching the finals of the NERAM art competition 'Let's Hang It'. More about this overleaf.

Early next term we will attend the Education Week Celebrations/ Highland Fling at Black Mountain School. Students will deliver a speech on this occasion, and we are working hard to have these speeches ready by the end of this term. Students will have an opportunity to practice their

speeches in the holidays.

Students have gained excellent tennis skills this term and make the most of our visit from Brandon Burey each Friday. We have started our gymnastics lessons on Mondays. We are learning to sequence artistic movements on the balance beam, correct tumbling, landing and have started to use the mini- tramp. Action shots over of our gym class.

Linda Frizell
Principal

Super Student—

Congratulations to Colt who is our SUPER STUDENT. He has shown pleasing progress in English and Maths. Colt is benefitting from our 'Grow Your Mind' Program and has been learning and practicing 'Self Regulation' and 'Fairness'. Colt has positive relationships with teachers and fellow students and plays happily with all age groups during break times.

School Reports

This semester, Chandler Public School is introducing updated school reports.

The new format has been developed by the NSW Department of Education in response to feedback from parents and educators to make reports easier to read and understand.

Your child's report will still show their progress across all subject areas.

Teacher comments will appear in all subject still including English, mathematics and the general comment section.

A new [achievement scale and descriptions](#) are included to provide a clearer picture of your child's progress.

Parent-teacher interviews remain an important way to discuss your child's progress and achievement in more detail.
